

19th European Wushu Championships

Additional Final Entry information

Dear all,

Here is additional information regarding the step-by-step final entry for the 19th EWC.

1. All team registration and details about the individuals for the accommodation are done in the Excel sheet 19thEWC_FINAL_ENTRY.

Please send this as soon as possible to secure your hotel of choice, but no later than March 29. As soon as we receive your Final Entry form, you will receive an invoice for instant payment by bank transfer. Please note: Cash on-site is not accepted.

2. Additionally, all team members must be registered in the Smoothcomp system: the athletes with categories, the team officials, the observers, and the judges. This information is also used for the accreditation badges. All individuals should attach a portrait photo to their account.

Please start this process in time, which can be updated until March 29.

3. All other related documents, such as waivers, copies of passports, and medical certificates, should be in digital form and put into one file, including the Excel Final entry form, for the whole team, as a compressed zip file (or similar) and sent to info@19thewc.org

Name the file with your country/federation. When the OC confirms, you do not have to show the papers at the competition.

You only need to show the physical passports at the registration on-site.

Please note: If you want to arrive earlier than May 2 with your team, you must book a hotel and transport from the airport by yourself. We can assist and answer questions about this, but you must book yourself.

The judges are handled separately regarding arrival and stay. They can cancel their stay if they do not pass the examination on April 7.

Best regards

The Organizing Committee
